

### **What is The Duelist's Apprentice Program?**

The Duelist Apprentice Program is a new scheme to reward younger players that attend Official Tournament Stores up and down the country. The program is a points-based league over a minimum of 4 tournaments. The points can be obtained either within the normal local events or in an exclusive age bracketed tournament. These will run until 31/05/18, for exact dates, please contact your local eligible Tournament Store. Please see below for more information about the running and fantastic prizes we are offering.

### **How old must a Duelist be to fit into the Duelist's Apprentice category?**

The Duelist Apprentice Program is open to Duelists 14 or under (Born after June 24<sup>th</sup> 2003).

### **What are the prizes?!**

Prizes are different depending on the OTS level of the store that is running the event! See the list on the next page to find out where your store stands.

### **Silver & Gold OTS stores:**

The highest points scorer will receive 12 boosters and a mini-trophy. Another Duelist will be chosen at random from all those who attended at least 4 Duelist Apprentice events and will receive 12 Booster packs.

### **Platinum & Diamond OTS Stores**

The highest points scorer will receive a mini-trophy and a travel voucher (up to the value given to the stores calculated on average travel costs) for themselves and a parent/guardian to travel to the Yu-Gi-Oh! UK National championships 2018. If the winner is unable to attend the National Championships and redeem their travel prize it will be passed down to 2<sup>nd</sup> place (or further until a Duelist is found who can redeem the prize).

Another Duelist will also be chosen at random that attended at least four Duelist's Apprentice events to receive a travel voucher, if this winner is unable to attend the National Championships it will be passed to another player until a winner that is able to attend the National Championships is chosen.
